Re: Freedom of Information Act Request
Incident: Canadian Pacific Railway Tank Car Leak – February 3, 2014
Location: Red Wing, Minnesota to Winona, Minnesota

To Whom It May Concern:

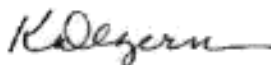

Under the Freedom of Information Act, 5 U.S.C. 552, as amended, I am requesting copies of any and all records regarding EPA Region 5's response, investigation and/or assessment of the Canadian Pacific Railway Tank Car Leak which occurred on or about February 3, 2014, between Red Wing, Minnesota and Winona, Minnesota. For the purposes of this request, in addition to the standard definition of "record" under FOIA, the term "record" shall also include, but not be limited to, documents, reports, papers, notes, data, evaluations, letters, photographs, drawings, diagrams, maps, films, sound recordings (paper and/or electronic) as well as electronic mail.

If there are any fees for searching for or copying the records, please let me know prior to working on my request.

If you deny all or any part of this request, please cite each specific exemption you think justifies your refusal to release the information and notify me of appeal procedures available under the law.

If you have any questions about handling this request, please contact me. Thank you for your assistance and cooperation in this regard.

Very truly yours,
